## **CIF Invitation to Participate in October 28 Plastics Project Conference Call**

The Continuous Improvement Fund (CIF) is hosting its second monthly conference call to help ensure municipal staff are provided with regular and timely updates on the various plastics projects CIF has under way, and to solicit feedback on these and other issues as we move into 2010.

This email is an invitation for you, or an interested member(s) of your staff to dial in to participate in the next (and future) conference calls.

The CIF expects to schedule these phone meetings for one hour starting at 9:00 a.m., on the last Wednesday of each month, for as long as participants find the process informative. Participants are welcome to suggest topics/issues for future calls.

The next phone meeting is set to be from 9:00 to 10:00 a.m., on Wednesday, October 28, 2009.

The CIF will send dial-in information and slides for the call to participants on Monday, October 26, 2009. This information will also be posted on the CIF website before and after the call. The first call in this series was held on September 30. If you would like to view the draft minutes, please click here:
