TRADITIONAL LAND ACKNOWLEDGMENT

As this conference represents a meeting of those connected through stewardship, it is important that we recognize the generations of Indigenous peoples who have cared for this land from the beginning. We acknowledge this conference is taking place on the traditional territory of the Anishinabek Nation, the Haudenosaunee Confederacy, and the Huron-Wendat. This territory is covered by the Williams Treaty of 1923.

We deeply appreciate their historic connection to this place and recognize the continued efforts of First Nations, Metis, Inuit, and other Indigenous peoples in the shaping and strengthening this community, our province, and our country as a whole.

As settlers, this recognition must also be clearly and overtly connected to our collective commitment to make the promise and challenge of Truth and Reconciliation real in our communities.
